SENIOR CLASS OF 1938

Early in the spring semester of 1935 the freshman class held their first meeting. Mr. Holdeman presided at this meeting until we had elected the following officers: President, Tom Keene; Vice-President, Roger Chester; Secretary, Dick LeFevre; Treasurer, Bill Wright; Social Chairman, Mary Jo Scofield. We chose Miss Busche and Mr. Bowman as sponsors. We held our first party in the gym on the night of May 18, 1935. Dancing and games made the party a big success.

In the fall of 1935, having peeled our green skins, we returned as sophomores to go after things in earnest. The following officers were elected: President, Bill Wright; Vice-President, Marjorie Booth; Secretary, Shirley Morton; Treasurer, Margaret Nelson; Social Chairman, Esther Blubaugh. Mr. Bowman resigned from his teaching position. Miss Busche was again elected sponsor along with Mr. Veller. Mr. Veller resigned because of coaching duties and we elected Mr. Glendening co-sponsor. We sold candy at the Mishawaka game. We also sponsored a pep session for the Goshen game.

Early in the spring semester of 1936 the Sophomore Class met for election of officers. The following were elected: President, Bill Wright; Vice-President, John Erdmann; Secretary, Shirley Morton; Treasurer, Lois Shafer; Social Chairman, Esther Blubaugh. Miss Busche and Mr. Glendening were elected sponsors. On March 26, 1936, at 7:30 p. m., the E. H. S. class of 1938 held a party in the cafeteria. Bob Styverson's orchestra furnished dance music. A fine class representation as well as outsiders enjoyed the dancing and games.

After a swell summer vacation the Junior Class met September 17, 1936, in Room 320 to elect officers for the fall semester. The following were elected: President, Bill Wright; Vice-President, John Erdmann; Treasurer, Bob Inebnit; Secretary, Esther Blubaugh; Social Chairmen, Mary Jo Scofield and Burton Johnson. Mr. Glendening handed in his resignation as co-sponsor because of other duties. Miss Busche and Mr. Mater were elected sponsors.

Monday, October 19, the ring and pin committee met to select the rings and pins. The following were on the committee: Bill Wright, Dan Bassett, Homer Swihart, John Erdmann, Bob Inebnit, Esther Blubaugh, Tom Keene, Mary E. Shasberger, and Peggy Bevan.

We sold candy at the Goshen game. November 14 we held our Junior party in the cafeteria at 7:30. Dancing to Wayne Cone's band and games served as entertainment. Refreshments were served. We sold candy at the Nappanee basketball game.

The Junior Class held an election of officers in Room 320 late in the month of February, 1937. The following officers were elected: President, Bill Wright; Vice-President, John Erdmann; Secretary, Shirley Morton; Treasurer, Bob Inebnit; Social Chairmen, Esther Blubaugh and Burton Johnson. Miss Busche and Mr. Mater were elected sponsors.

On March 12, 1937, Friday evening, we presented our Junior class play entitled "Kiddie." Miss Winternitz ably directed the play. Mr. Hughes and the orchestra played musical numbers before the performance and between acts of the play. The play brought great honor to the Junior Class.

On March 18, 1937, we held a "Farmers Party" in the gym. Emerson Lynn and Nellie Ward won prizes for the best costumes. Gene Hileman's orchestra furnished music for dancing.

Saturday, May 28, 1937, we presented the annual Junior-Senior Prom at Sargent's Hotel, Lake Wawasee. Decorations and lots of novelties followed a horse-racing theme. Nearly 350 students participated. Andy Reidle's orchestra from South Bend played for the dancing. Of course, we thought that the prom was the best ever and so did many of the Seniors.

At the beginning of the fall semester the Senior Class of 1938, after three successful years, split so that we might hold our separate Senior Day programs. At the first meeting of the January Seniors of 1938 the following officers were elected: President, Bill Wright; Vice-President, Roger Chester; Secretary, Jeanette Schram; Treasurer, Bob Inebnit; Social Chairmen, Leora Rowe and Carl Danforth. Miss Busche and Mr. Mater were elected sponsors. At the first meeting of the June Seniors the following officers were elected: President, John Erdmann; Vice-President, Maryann Helfrick; Secretary, Anna Mae Thornton; Treasurer, Ray Courtney; Social Chairmen, Marcile Myers and Burton Johnston. We sold candy at the La Porte football game.

October 1 we met with the June Seniors to elect the staff for our Annual. The following were elected: Editor-in-Chief, Bob Inebnit; Assistant Editors, Jeanette Schram and Lois Shafer; Business Manager, Willis Schalliol; Advertising Manager, Dick B. Phillips; Sports Editor, Burton Johnston; Art Editor, Emerson Rupert.

A committee of January and June Seniors was also chosen to select the caps and gowns. Saturday morning, October 9, a committee of January and June Seniors met in the Library to select the announcements. During Xmas vacation the Senior Class sold candy at the Washington South Bend basketball game.

The January Senior Day committee consisted of the following: Willis Schalliol, Bob Inebnit, Joan Smith, Bill Wright, Helen Dahos, and Jeanette Schram. Joan Smith and Jeanette Schram chose the flowers; our class colors are aqua blue and gold. The skit which was presented was written by Bob Inebnit and directed by Miss Winternitz. Saturday evening, January 15, we held our last class party together with the June Seniors. Since it was a kid party, all came dressed as children. Wayne Cone's orchestra furnished the dance music and games were enjoyed. The motto of the class is, "They conquer who believe they can."

The June Senior Day Committee consisted of: John Erdmann, Margaret Nelson, Nellie Ward, Bettie Lines, Charles Dinehart and Maurice Frink.

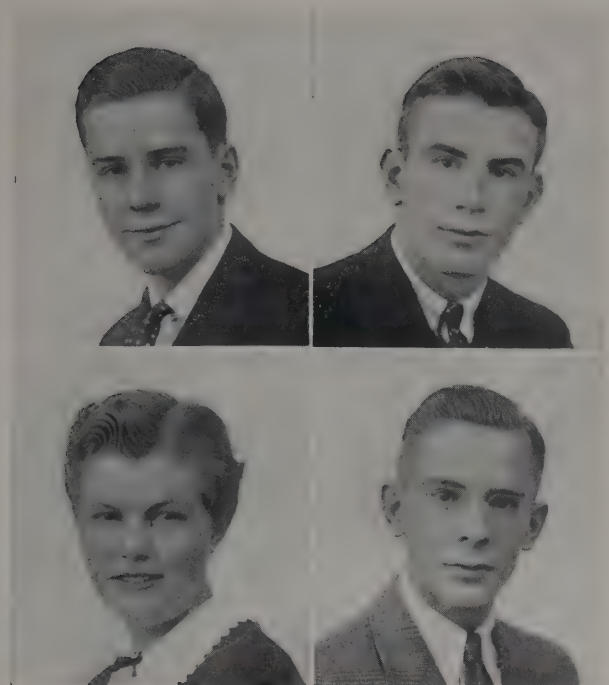

The skit was written by Maurice Frink.

Their motto was "Knowledge comes, but wisdom lingers."

Their colors are peach and apple green and their flowers are daisies and lavender sweet peas.

The class play, "Wait For Me" was successfully presented May 13.

The prom will be held Saturday, May 28. Baccalaureate is to be May 29 and graduation exercises on Thursday, June 2, at Rice Field.

The Pennant Weekly appears thirteen or more times each semester at a cost of forty cents per subscription and contains school news, features, athletics, and the advertising necessary for carrying on of the paper.

New features of the year were streamlining of the paper, achieved by omitting the column rules; by moving the editorial column to the first page, where the editor aired his views and opinions; and changes in heads and typography. Candid camera pictures and special Thanksgiving, Christmas, Under-class, and Nut issues, varied the regular publications.

Sculptoring wins the admiration of an Art group.

The Art Club comprises a studious and sincere group. Practically all of their activities pertain strictly to art.

Their frequent meetings, held every two weeks, their continued membership in the Hoosier Art Gallery Association, and Cathedral Association at Washington, D. C., prove this.

Club members made their annual fall trip to Chicago and studied paintings at the Art Museum, Field Museum, and in many other places.

During the year, they were guests at the Studio Tea at South Bend, the Local Art Exhibit in Elkhart, and the Women's League, where they enjoyed watching a sculptor at work.

The Debate Club which was organized last fall chose as their question for debate for the year: Resolved: The state of Indiana should adopt a system of Unicameral Legislature. They started out with eighteen debaters, and a few chaperons attending the Annual High School Debate at Purdue on December third and fourth. On January eighth they were host to 62 teams representing 29 high schools of Northern Indiana. At the County Tournament on February fifth, the negative team defeated Millersburg; the affirmative, Wakarusa. On February twelfth the affirmative defeated Concorn; the negative, Jefferson at Goshen, Indiana. This made them the county champions.

At Lagrange, Indiana on February 28th, they defeated Freemond High School which gave them the zone Championship. In a double debate with Warsaw High School on March 14th, they won; this made them Sectional Champions. Next they went to the

State Finals at Manchester, where in the first round they defeated New Albany, but in the second round they were defeated by Hammond in a very close debate.

This Club sponsored the Boys' Rotary Discussion Contest in which Richard McDonald won first place; Ray Conley, second place; John Manaici, third place. Richard McDonald then represented E. H. S. in the South Bend discussion. They also sponsored the Discussion Contest in which Dick Sproull and Ted McLaughlin won first in local but in the County Contest they won third and fourth place, respectively.

It was last November 19th that the Debate Club and Speech Class originated the brilliant idea of broadcasting E. H. S. news over W. T. R. C. each Friday evening. However, other organizations of the high school helped develop the idea, and the *Pennant Weekly* supplied the news which was broadcast each week.

One day in the first part of 1937 all those who were interested in photography got together to form what is now known as the Camera Club. Every other Wednesday in the "Dark Room" are revealed secrets of printing and developing pictures; also constructive criticisms are given to those who submitted their efforts in photography.

Already the works of some members have been published in leading Chicago and Indianapolis newspapers as well as in the *Truth*, the *Pennant Weekly* and *The Pennant Annual*.

During the latter part of February, the Theater Club was organized. Mr. Woodruff is the sponsor of this boys' group. The membership is limited to twenty-five.

Every other Tuesday the club holds its meetings after school. They are studying the operation of the motion-picture camera, and other equipment pertaining to the auditorium. These boys have charge of receiving and returning the films used by the different departments in school. They also plan the schedules, notify the teachers as to the time planned, and operate the machines.

The members have ordered their jackets and now working on the emblem that they will use. Good luck to this new organization.

On November 2, 1937 the French Club met in 315 for their first meeting of the year. At the meetings held every first Tuesday of the month, games, songs, and interesting articles dealing with French customs were enjoyed. Valentines with French greetings were exchanged at the February meeting. The club sponsored a radio program on April first. Enid Whitmyer and Mary Ellen Shasberger gave an interesting discussion of events in school activities during the week. A spring party completed the activities of the French group.

The Spanish Club meets at the members' homes to discuss the news they receive from Spanish magazines and correspondents. At the November and December meetings, Mrs. Earhart and Miss Burnham gave talks on their travels through Spanish speaking countries. As a project the club is sending small bags of clothing and toys to refugees of the Spanish Civil war.

This club is always thinking of something new; they sponsored the monitor system, the fingerprinting system, and also had the Dime Line which provided a Christmas party for underprivileged children.

During the year they enjoyed theater parties, a supper, and a Father and Son Banquet at which everyone ate too much. But they are often very serious, and in such a vein, they selected Father Grutka to give a talk before every meeting during Lent.

We all remember the day in the latter part of November when the proud Seniors strutted about in their new sweaters, and though we don't want to feed their ego any more, the whole school is proud of this organization.

The District Conference was held on March 31, 1938, with John Harmon acting as president and Prof. J. Raymond Schutz as the main speaker. The State Hi-Y Officers Conference met on April 1st and 2nd in Indianapolis.

The GR's have had a full calendar this year. On the regular Wednesday afternoon meetings, they had bridge lessons, teas, fashion shows, talks on photography, the newspaper, Mexico, travels in Europe, a collection of dolls, and a review of the plays in New York.

The candle-lighting recognition service was in the shape of a triangle, with the officers forming the base to greet the new members. The old members formed the sides of the triangle.

Elkhart GR had the annual conference this year. The theme was "Inches and Feet." Twenty cities were represented with one hundred and fifty present at the conference and banquet.

The Rah! Rah! Club with a membership of five per cent of the student body initiated their new members with a theater party and dinner. For the long awaited "Athletic Party" they chose a "Spanish theme" which was very colorful and gay. Besides these activities, they ushered at the Christmas Play, sold candy at several football and basketball games, and also at the sectional track meet.

This active club helps the school in many events, ushering at the football and basketball games, the Junior and Senior plays, at the debate tourney, and at various civic meetings held in the auditorium. For the lighter side of club life, the boys entertained the gals at a treasure hunt held April 30, and themselves, at the annual stag party at John Beven's.

The four purposes of the club are (1) To foster and promote loyalty to E. H. S. (2) To assist in the creation and maintenance of good school spirit. (3) To aid in whatever way possible in school's activities, and (4) To advance the spirit of friendliness among the boys of the school.

Students of the Cicero and Virgil classes form the membership of the club. At these meetings games, songs, book reviews, and playlets were presented. A candy sale and a picnic rounded out the season.

REHEARSALS ... CONTESTS ... CONCERTS ... PARADES ... MANEUVERS

The tradition of Elkhart's being a musical center is well carried on by both our instrumental and vocal departments. The High School Band has won much recognition for its fine marching and playing under the able drilling of Ed Clark, the directorship of David W. Hughes, and the associate-directorship of Robert Welty. It presented many thrilling performances under the flood lights at Rice Field during the football season, and added much to our successful basketball season. The purchase of one hundred seven new uniforms was the high light of the year; they add much to the appearance of our band. The Orchestra, also, has greatly advanced in the realms of symphonic music. In 1937 it placed in the first division in the national contest at Columbus, Ohio—a commendable feat. The Orchestra has always been ready to play for school functions whenever called upon. Our vocal department has taken great strides under the new direction of Miss Geraldine Drury. The Glee Club purchased robes, and Elkhart High School now has the pleasure of having a robed choir. The Glee Club has sung for several student assemblies and presented two musical shows during the school year. It is therefore evident that Elkhart High School is carrying on the music tradition.

November 26 and 27, 1937, the Northern Indiana Band and Orchestra Clinic was held here. The band played under many distinguished directors, among them Ralph Rush, director of the Cleveland Heights Band and Orchestra, Cleveland, Ohio.

January 18, 1938, another benefit game was played. This was a basketball game, Elkhart High School vs. Indiana State School for the Deaf.

January 20, 1938, the band held a joint Band Concert with the all-city Junior High School Band. The

soloists appearing on this program were Richard Holmes, John DeWees, Gayle Grove, Robert Thomson, Warren Shelley and a trombone quartet consisting of Betty Correll, Fritz Funk, Gayle Grove and Chester Huffman.

April 7, 1938, the band presented its last concert of the year. Dr. Joseph C. Maddy, President of Music Educators National Conference and President and Musical Director of the National Music Camp at Interlocken, Michigan, was the guest conductor. Betty Correll was trombone soloist. A clarinet quartet consisting of Arthur Willis, Caroline Leist, William Long and Richard Phillips, and a brass quartet consisting of Betty Correll, Gayle Grove, Patricia Stenberg and Arthur Bailey were featured numbers.

ORCHESTRA ACTIVITIES

October 15, 1937, members of the orchestra played for the Northern Indiana Teachers' Conference at South Bend under the direction of George Dasch, director of the Chicago Little Symphony, and Business Men's Symphony. Elkhart had the greatest representation of any school in the orchestra, which is composed of students from the northern part of Indiana.

November 26 and 27, 1937, the orchestra played for the Northern Indiana Band and Orchestra Clinic, which was held here. Again George Dasch was the guest conductor.

December 10, 1937, a picnic for parents and members of the school bands and orchestras was held in

the High School cafeteria and library. Dancing and games furnished the evening's entertainment.

March 2, 1938, the High School Orchestra held a joint concert with the all-city Grade School Orchestra and Junior High School Orchestra. Caroline Leist, Warren Shelley, Bob Thomson and Virginia Ludwig were the featured soloists.

March 4, 1938, another band and orchestra party was held in the High School cafeteria. Dancing and a floor show provided the entertainment.

During the year the "pit orchestra" furnished music for the Christmas play and Junior and Senior plays. Many ensembles also play for banquets, and special programs throughout the year.

This year has been a successful one for the Glee Club under the new direction of Miss Geraldine Drury.

October 15, 1937, the members of the Glee Club sang for the annual Northern Indiana Teachers' Conference in South Bend. Their Christmas carols added much to the Christmas spirit at the annual Christmas play. During the year the Glee Club has presented two musical shows—"Southern Minstrel Memories" and "Tune In." Both of these were fine shows, and were well attended. The high light of the year was the purchase of choir robes, which added much to the attractiveness of our Glee Club. The Glee Club has held a skating party, a theater party, and two candy sales during the year. They presented two radio programs on WTRC. At various times different groups and soloists appear on special programs.

DRAMA

Sparkle! Life! Glamour! The mysteries of scenery and the magic of make-up! That is the THEATRE!

In olden days, when stages were illuminated by candles, the settings were simple, and theatres not so plentiful; therefore only the well-to-do attended the play-houses. Our modern productions with magnificent settings, Kleig lights, and beautiful, expensive costumes have become the miracles of the day. The theatre is now a universal form of entertainment since it is within reach of us all.

Because of this common interest in the theatre, our drama course has become a popular one. Here we learn requisites of acting and directing, the elements of comedy and tragedy, and the terminology of the stage.

Each year the Drama Department does three plays under the capable direction of Miss Louise Winternitz. In the following pages, we bring you various scenes from the '37-'38 productions.

Tony, I think you'll need a derrick to get Tippy off the floor.

Watch out, Annette and Selma, Victoria doesn't want you to see that telegram.

Why, Tess; you're crying! Surely Ronnie and you couldn't have had a misunderstanding.

Looks like Victoria's game is up. That's a lie-detector she holds in her hand.

Eve, you shouldn't treat Duke like that—give him a chance to explain.

CHRISTMAS PLAY

"Through the Eyes of the World" was given Tuesday, December 14, for an audience of 1700 at the high school auditorium.

Those French Pierrots, George, Dallas, Dorman and Lloyd, go into their dance.

All horse and no play makes Ray a dull boy.

Then came the night . . . a packed house . . . that tuneful orchestra . . . community singing . . . colored lights . . . brilliant costumes . . . sixty nervous actors, and a good show!

Juniors, remember the thrill of play tryouts? The cast posted at 10 A. M.—a mad dash for the bulletin board. Weeks of memorizing lines, learning to sit, walk, talk; learning stage technique . . . scrubbing second-hand furniture . . . The night of March 11 . . . that tense moment when one hears his own voice for the first time . . . John Williams brought realism to the title, “New Fires” when he let a match drop into the stove . . . ’member Ann Finnell’s beautiful faint . . . ’n the darn curtain broke! Bill Murray and Joanne Watson, convincing in their roles of brother and sister.

Then the Seniors in that sparkling comedy, “Wait For Me.” Cast members flew about for eight weeks, shopping for materials, making gay costumes and rehearsing steadily to acquire poise. They were a clumsy lot. Their embraces reminded one of nothing so much as a lopsided question mark. They fell off chaise lounges, stepped on each other and twisted their lines, but it was “all right on the night” and as nineteen actors bowed to an applauding audience, the curtain swept down on the ’37-’38 drama achievements.

LOOKING BACK ON THE E. H. S. ATHLETIC RECORD

The 1937-38 athletic year, saw one of the most successful years in the history of Elkhart High School. In football, basketball, track, tennis, and cross country, E. H. S. enjoyed a very successful season.

At the beginning of the fall semester the football team swung into action under Coaches Veller and Berkey. The outlook for the team at the first of the season was only mediocre, but they soon developed into a hard-fighting, smooth-working machine. The Avalanche played their usual style of clean, hard-driving play under Captain Joe Pattanelli. The team this year won seven, lost one and tied one, finishing second in the E. N. I. H. S. C. and for the second time in as many years Elkhart had an all-state player.

E. H. S. also saw a very successful year in basketball. The Blazers, under Coach John L. Longfellow, won eighteen and lost four this year. For the past three years the Blazers have won the E. N. I. H. S. C. and for the second time in as many years have won the sectional tournament, each time being beaten out in the first game of the regional. The Blazers were also captained by Joe Patanelli. Two changes took place in the game, during the '37-'38 year. The first was the elimination of the centerjump. This new ruling speeded up the game decidedly, but the players easily adjusted themselves to the new style. The second change was the elimination of the play-off of the N. I. H. S. C. championship because most of the coaches felt that, with the play-off, their team would reach its peak too soon.

The Shortfellows also came through by winning their conference for the third straight year. Many of these Shortfellows are bright prospects for next year.

The track season under Coach C. C. Boone saw a very successful season. The Streaks placed sixth in the State meet, and met several strong teams throughout their short season. The cross country team climaxed a successful season, winning four and losing three and placing fourth in the N. I. H. S. C. meet.

The tennis team under Coach Hap Sorenson was successful in both the spring and fall sessions. Without the services of Captain Dick LeFevre, the Racketeers won four and lost four in conference play in the fall. In the spring the Racketeers won four and lost one.

During the spring athletic season golf and baseball were added to the E. H. S. sports program.

Swartzell, B. Heeter, Sophomore Manager; M. Hiatt, Freshman Manager.

Kenny Lyons, Senior, played the guard position. Kenny was a reserve, but a very valuable man.

Jimmy Simons tucks the ball away while M. Andress blocks for an end sweep. Simons has another year yet. He plays right half. Max Andress, who has two more years of competition, was a good relief man for Dick LeFevre at quarterback.

Glen Mast, although a Junior, was a very fine reserve tackle. He should prove to be a very valuable man next fall.

Hey, quit shovin'! Who's shovin'? You are. Well, I can't help it, 'cause the crowd's pushing me.

Weaver and Johnston look on, hoping the next play will bring a touchdown and a win for the 'Avalanche', so they'll deserve those rub downs they're going to get.

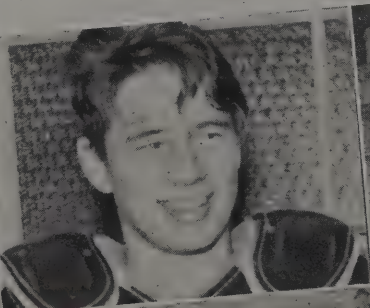

Wardy Harms peels, after another Avalanche victory.

Louie Kasamis, Bud Nelson and Leroy Lichtenberger, a trio that's mighty hard to get through.

The boys that bring the pep and life to pep sessions, football games, and basketball games. They are, Left to Right, First Row: George Jackson, Sophomore; Bill Murray, Junior; Second Row: Gordon Sinning, Junior; Bob Oliver, Senior (head cheer leader).

Swig, smeared after a short gain over tackle.

All set and ready to go for the South Bend Central game. By the way, it was on ice from the start, in more than one way.

Berkey, Joe and Veler, talking it over. They seem to have the situation well in hand.

Every Friday evening all eyes turn to Rice Field and an exciting game.

Could it be that the Avalanche possesses a young "Manders"? (Leroy).

"Just let me at 'em again."

Our all-state butterfly—Dan Bassett.

There's a swell view looking up from the field into the stand.

Spectator shot: hats to the right; bare heads to the left; and not a sign of a helmet.

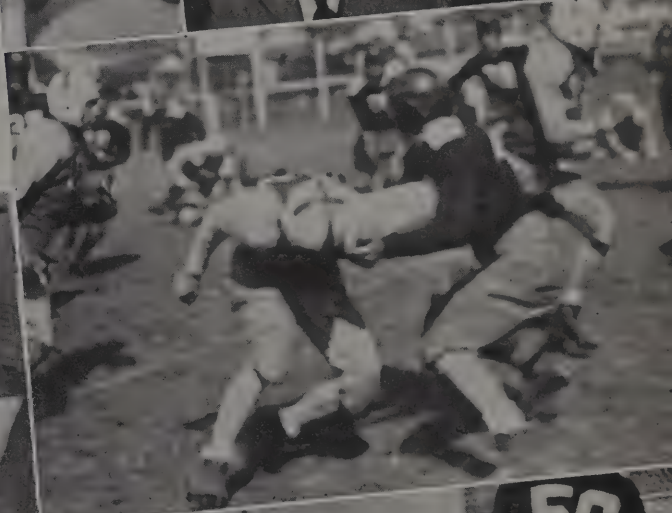

Patsy waltzes off tackle for a good gain.

Preparation for "just a quiet evening on the bench."

One of the bright spots of Rice Field.

Willie, Cece and Henry talking it over.

Now get this, you guys; take it easy on the new pants.

ACTION SHOTS

FOOTBALL SUMMARY

The Avalanche of 1937, under the capable coaching of Don Veller and Harrison Berkey, finished second only to Riley of South Bend in the E. N. I. H. S. C., with Riley being the only team for the second straight year to defeat the Boys in Blue. The Wildcats defeated Elkhart, 7 to 6, and 7 to 0 in the past two years. The Avalanche finished the '36 season tied for first place with Michigan City, but lost the coin toss for the play-off. At the start of the season, the Avalanche had just three veteran men in the forward wall, and two in the backfield, and developed into a smooth-running, hard-driving unit. They finished the season with seven victories, one loss and a tie game with Mishawaka.

With Coach Don Veller, as head coach for his third year, and with Harrison Berkey serving as line coach his fourth year, the Elkhart High School Blue Avalanche won their twenty-third game out of the last thirty games played. They have lost just five games and have tied two in this time. These two men proved their ability in coaching this year, when they developed a green squad of boys into a winning team. The prospects for the 1938 squad are quite favorable, although a number of good men will be lost through graduation. The next year's prospects coming back have all seen action, at times when the regulars had the ball game cinched.

Captain Joe Patanelli ended his high school football career this season, and proved that he was a capable leader as well as an all-around athlete. Starring in both football and basketball, Joe will be long remembered by all as one of the greatest athletes to come from Elkhart High School.

More distinction was added to the long Elkhart list, when Dan Bassett was named All-State tackle for 1937, to follow in the footsteps of Tim Bringle, who won All-State half-back last year.

Howdy Elliott was chosen by his team mates to captain the 1938 football team. He is a good sport, a fine athlete and should prove worthy to follow Joe Patanelli, a great leader.

BASKETBALL SUMMARY

Since the coming of Coach John L. Longfellow, in 1929, Elkhart High School has had the most successful seasons in basketball in the history of the school. Arriving in Elkhart, he proceeded to take over the duties of coaching and piloted the Blazers to victory.

They have won the N. I. H. S. C. title three years straight. Under the coach's "guiding hand" the team has lost but four games this season, and has won eighteen. During the last three years Elkhart has won twenty-one conference games out of twenty-two. Although this was a very successful season, the "recruits" of next year are very promising.

More power to you, John, in the 38-39 season.

This season, for the Blazers, was the most successful in a long time, winning eighteen games and losing only four. This success was due to the fighting spirit of the Blazers and to the student body behind the team. Elkhart, this season, had an average of thirty-eight points per game, while the opposing teams averaged twenty-two points per game. Out of eight conference games, Elkhart won eight, having a perfect season record on conference games. They have won fifteen conference games in a row, including all the conference games in the last two years. In the '35-'36 season the Blazers lost but one conference game, winning six. Last year the Blazers got to the regionals and were defeated by Mishawaka. This year they got to the regionals again and were again defeated, this time by Washington of South Bend. With this fine record, next year's team is bound to go places.

Captain Joe Patanelli led the Blue Blazers to victory. Under his leadership the boys seemed to pull together and drive hard to one more victory. The whole team respected Joe as a good sport and a fine captain and turned to him for encouragement while on the floor. We are sorry this is his last year with the Blazers and hope that he will have even more success in college than he has had here.

Gene Thompson was another boy who played an important part in each game as a valuable relief man. Although he was pushed hard at times, he always came through when needed most.

When the Basketball awards, for this season, were given out, Gene received another medal for having the highest per cent of free throws. Missing only six times the whole season, his percentage was 68.4%. Nice going, Gene.

ACTION SHOTS

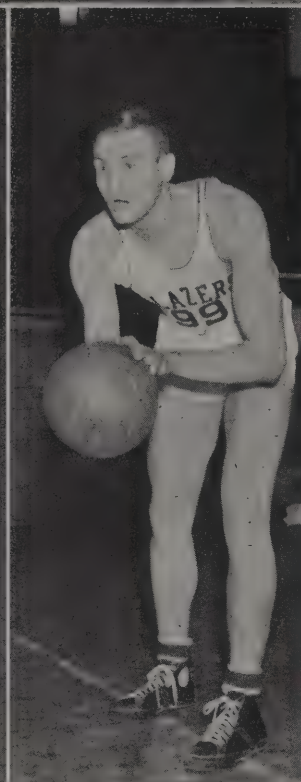

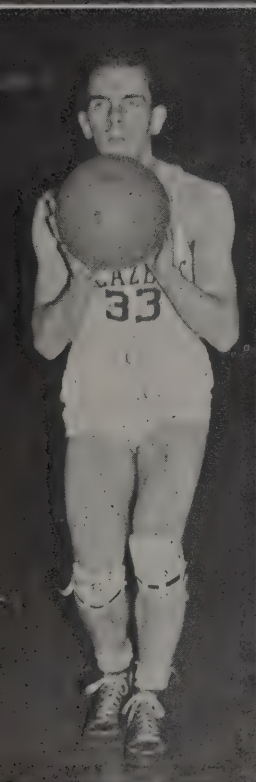

Hey, get that ball, you guys!

Going out after those two necessary points.

'37--'38 BASKETBALL

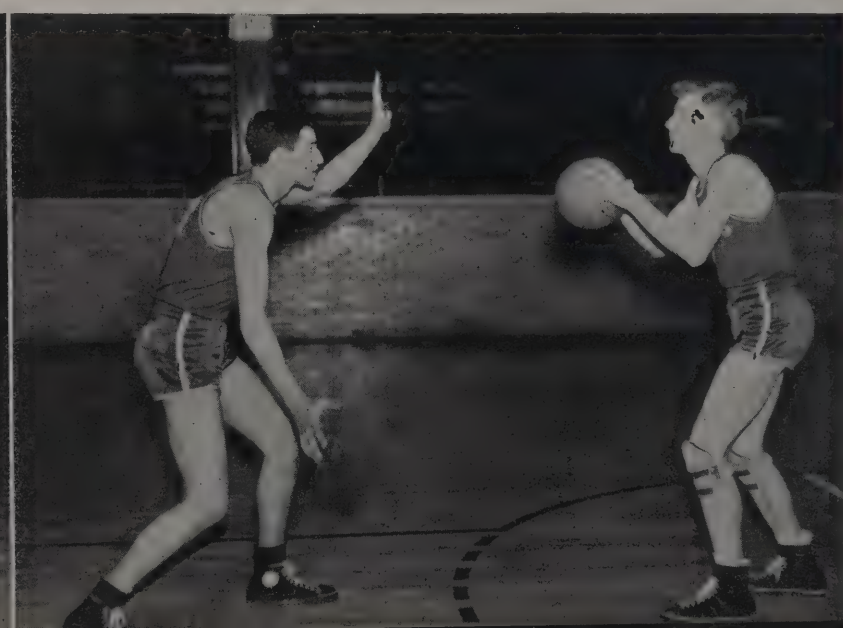

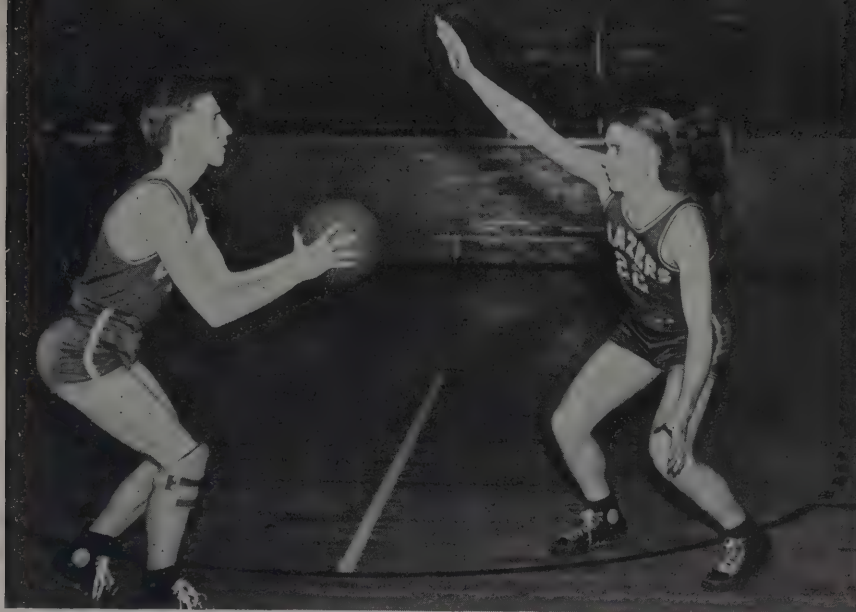

Dick LeFevre, a Senior forward, was a regular starter and played consistent ball the whole year. Dick also was a handy man to have around when points were needed.

Howdy Elliott, Junior center, is a promising prospect for the team next year. Howdy took a long time to get started this season, but when he finally did, he was really a great help to the team.

Ward Hamlin, Junior guard or forward, is another promising prospect for next year's team. Ward showed a great deal of improvement this year and will really be a valuable asset to the team next year.

And now we have Joe Patanelli, Captain of E. H. S. Blue Blazers, and Ted Williams. Joe was named on the Third All-State and All-Conference Teams. Joe, a Senior guard, will be missed greatly. He was a fine guard and, when assigned to a man, saw to it that he was well taken care of. Ted Williams, a Senior forward, started off the season with a bang, slowed down a little in mid-season, but came back in fine shape at sectional time.

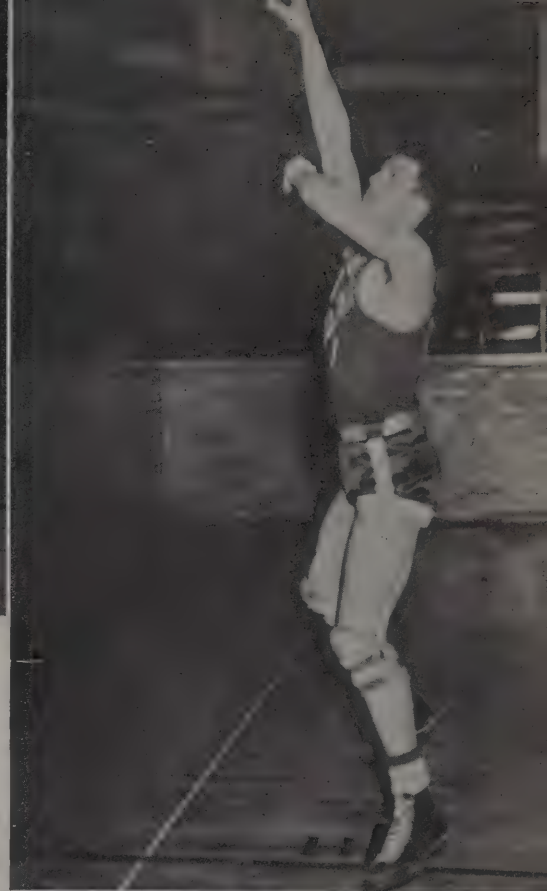

Gene Thompson and Warren Smith, a pair of smooth ball hands. Gene was fast, shifty and could really get around. When there were points to be amassed, Gene got them. Smitty, although a reserve, could always be depended upon in a pinch and usually came through.

Dale Swihart, an all-round athlete, made a very fine showing this year in basketball. He was listed on the Third All-State All-Conference Team. Swig's job was usually to watch the sharpshooters of the opposing team, and a very good job he did of it. Dale is only a Junior and much is expected of him next year.

Glenn Mast, a new starter in this year's lineup, played every game. Glenn went out and got the points when the rest of the boys had an off night. Glenn won plenty of games for the Blazers.

VARSITY IN ACTION

All right, fellows, let's get in there and fight.

TRACK

Paced constantly by wins of Dinehart, Stock and Bringle, the E. H. S. track squad enjoyed a successful season. Important feats accomplished were: Third place in the N. I. H. S. C. meet, winning of the sectional crown for the 14th time, and placing sixth in the State finals.

With the return of H. Stock, Dinehart, Courtney and Swihart, the success of the '38 season is likely to be great.

The tennis team, under Coach Sorensen, saw successful seasons in both the spring and fall. In spring the E. H. S. Racketeers won 4 and lost 1. In conference play the Racketeers broke even with 4 wins and 4 defeats. The Racketeers played most of the fall season without the services of Captain Dick LeFevre, who was pretty well occupied at the time with varsity football. Many believe that with Dick playing, the Racketeers would have had a fine chance for the conference. Roger Chester, Dick Fawcett, George Horn, and Willis Schalliol played fine ball for E. H. S.

The girls started out their year by playing tennis and softball. When the winter months came they turned to kick pin ball, volleyball, badminton and basketball.

The G. A. A.'s sold candy at the Elkhart-Michigan City football game. This and their dues have supplied a fund with which they hope to buy some new equipment.

The club held a potluck supper at school in December. They exchanged gifts and played games.

This year the G. A. A.'s bought jackets which all members wear. The jackets are light blue with Elkhart G. A. A. printed on the back with white letters.

My Advice to Contest Soloist Is-- "Enter With a **BUESCHER**"

For the past three years Marjorie D'Vore placed First Division in the National Solo Contest. She is the winner of many scholarships, prize awards and other honors and has appeared on a coast-to-coast radio program.

Miss D'Vore, now a senior at Senn High School in Chicago, has been devoted to BUESCHER since she was ten. Her advice is "Enter the Contest with a BUESCHER".

Whatever your chosen instrument in brass or woodwind, one made by BUESCHER's scientific experts will improve your playing noticeably from the start. With a BUESCHER your contest chances are definitely better.

When Your Head Aches

Not much use to study. You can't get much into an aching head. Besides, trying to concentrate only makes the headache worse. Why not call good old ALKA-SELTZER to the rescue? It will probably stop that ache in fifteen or twenty minutes so you can go on with your work—and ALKA-SELTZER is so pleasant to take.

When You've Eaten Too Much

It's a pretty good plan to take one or two ALKA-SELTZER tablets in a glass of water. They will correct the dull, overstuffed feeling and make you feel like your normal healthy self once more.

You see ALKA-SELTZER works two ways—first, it relieves pain because it contains an analgesic (sodium acetyl salicylate). Second, its alkalizing agents help to correct those pains due to an over-acid condition.

Got a Date and a Headache?

They just don't go together. You don't want to spend the evening holding your head and wishing for the time to come when you can go home. You don't want to be a wet blanket.

Why not try ALKA-SELTZER? It is pleasant to take, acts quickly and will probably clear up your headache in short order.

Use ALKA-SELTZER for Headache, Acid Indigestion, "Morning After" Colds and Muscular Pains. You will like the cheerful white tablet that bubbles and fizzes. You will like still better the relief it brings.

Get Alka-Seltzer at your drug store in thirty and sixty cent packages or get a glass of Alka-Seltzer at your drug store soda fountain

Just Old-Fashioned!

Not the greatest . . . not the largest . . . but an organization devoted to a principle of excellence. For more than three decades hundreds of yearbook editors and business managers have placed their faith in our ability to help them design, publish, and finance unusual yearbooks . . . Just old-fashioned in principle, but with a very definite flare for the best in modern publication trends!
